

Sunset Ridge Cub Scout Pack 82

April 2010 Newsletter

www.sunsetridgescouts.org

Rocket Launch

The *Rocket Launch* will be held on Saturday, April 24th, 1:00-2:30 p.m., at the Pope Farm Park. See the map on reverse side for directions. In the event of bad weather we will reschedule for Sunday, April 25th. Rocket engines, igniters, recovery wadding and other launch supplies will be furnished at the launch. **Please contact Rich if you still need a rocket kit.** Be sure to clearly mark your scout's name on his rocket, or paint it in a unique way. 40 boys chasing after 40 identical rockets could be a problem. Anyone with a rocket launch pad is encouraged to bring it. The Pack has 3 launch pads and 1 or 2 extra would be helpful. *We will have awards at the launch, so if your son has earned an award, be sure to contact your den leader.*

Camping Info

Link: <http://www.sunsetridgescouts.org/Pack82campingnews.pdf>

So far only three RSVPs for Day Camp and Baraboo Centennial Camporee have come in. **The last day for reservations is May 1.** There is another opportunity for Day Camp. Several scouts have expressed interest in the June 25-26 Day Camp in Sauk City. This camp requires parent leaders and Cubmaster Rich will not be able to attend this camp. Please let Rich know if you are interested in any of the camping options.
