Pack 82 Space Derby

- Thursday, November 19th in the school cafeteria, 7:00 - 8:15 p.m.
- Tips can be found at the following link: [www.sunsetridgescouts.org/Space Derby Tips.pdf](http://www.sunsetridgescouts.org/Space%20Derby%20Tips.pdf)
- Boys will build rocket kits to fly on a 40 ft section of fishing line. They will compete with others in their own age group. Pairs will race against each other, however no standings or overall places will be determined. Good sportsmanship is a must. Have fun building and flying those rockets!
- A tightly wound propeller can cause serious injuries on small fingers. **I strongly recommend that boys bring a lightweight glove to wind their propellers, or let a parent do the winding.**
- **Pack meetings are family events.** You may bring along siblings accompanied by parents. Parents, make sure your scouts/siblings stay with our group (no running through school). Scouts should be gathered with their dens for opening and closing ceremonies and any other appropriate time.
- **Flag ceremony:** Wolf Den 2.

December Den Service Project

We have no formal Pack meeting in December. We are encouraging dens to do a “good turn” service project in December. This could be caroling at a nursing home, adopting a family through the MOM program, making and delivering cards to a nursing home, or any other project. Part of Scouting is giving back to the community, and the boys can learn how good it feels to contribute.

January Pack Meeting

All Scout parents are welcome to join the fun! Wednesdays, **January 6th & February 3rd**, 7:00 p.m. at the Dalrymple’s house, 7448 Meadow Valley Road. There will be no meeting in December.
